

Uke Joan D – Parody by Jack H. Originally Sloop John B - Beach Boys

[C] [C]

We [C] all love Uke Joan D, someone stronger than me
A-[C] round East Kingston, she does [G7] roam
If something ain't [C] right, she'll put up a [F] fight
She's [C] the toughest one [G7] I've ever [C] known

Chorus:

*So [C] hoist up Joan D's Uke, see how the Blaster plays
[C] Call for the group to let, let it be [G7] known
Let's not go [C] home, don't wanna go [F] home yeah, yeah
Well, we [C] feel so awestruck [G7] no wanna go [C] home*

She [C] has lots of spunk, rarely in a funk
Some- [C] times Dave has to come, and take her a-[G7]way
Mister David [C] D, why don't you leave her [F] be, yeah, yeah
Although [C] the time's up [G7] she no wanna go [C] home

Chorus:

*So [C] hoist up Joan D's Uke, see how the Blaster plays
[C] Call for the group to let, let it be..... [G7] known
Let's no go [C] home, no wanna go [F] home yeah, yeah
Well, we [C] feel so awestruck [G7] no wanna go [C] home*

When [C] poor Joan took a spill, it certainly was no thrill
But [C] she stood up, and was at the next [G7] gig
She is quite [C] strong, we love having her [F] along
She's [C] the best friend [G7] we've ever [C] had!

Chorus:

*So [C] hoist up Joan D's Uke, see how the Blaster plays
[C] Call for the group to let, let it be..... [G7] known
Let's not go [C] home, we no wanna go [F] home yeah, yeah
Well, we [C] feel so awestruck [G7] we no wanna go [C] home*

[C]! [G7]! [C]!

WE LOVE YOU JOAN!!!
