I wanna make you smile whenever your sad

C#m

Bm

Carry you around when your arthritis is bad,

Oh, all I want to do is grow old with you.

I'll give you medicine when your tummy aches,

Build you a fire if the furnace breaks,

Oh, it could be so nice growing old with you.

I'll miss you, kiss you, give you my coat when you are cold,

need you, feed you, even let you hold the remote control.

So let me do the dishes in our own kitchen sink,

C#m

Bm

put you to bed when you've had too much to drink,

Oh I could be the one who grows old with you.

I wanna grow old with you.
