

All I've Got to Do - The Beatles

[G] x 4

[G!] Whenever [Em] I.... want you [G] around, yeah.
All I gotta [Em] do...., is [Am] call you on the phone,
and [Am7] you'll come running home,
yeah, [Cm] that's all I.... [G] gotta do.

[G!] And when [Em] I...I want to [G] kiss you, yeah.
All I gotta [Em] do, is [Am] whisper in your ear,
the [Am7] words you long to hear,
And [Cm] I'll be [G] kissin' you.

Chorus:

[G] And the same goes for [C]me,
Whenever you [Am7] want me at all
I'll be [Em] here, yes I will, whenever you call
You [C] just gotta call on [G] me, [Em] yeah,
You [C] just gotta call on [G] me.

[G!] And when [Em] I...I want to [G] kiss you, yeah
All I gotta [Em] do, is [Am] call you on the phone,
and [Am7] you'll come running home,
yeah, [Cm] that's all I.... [G] gotta do.

Chorus:

[G!] And the same goes for [C]me,
Whenever you [Am7] want me at all
I'll be [Em] here, yes I will, whenever you call
You [C] just gotta call on [G] me, [Em] yeah,
You [C] just gotta call on [G] me.

Outro :

[G] Ohhh, you [C] just gotta call on [G] me.
[G] Mmmmmmmmm [Em] mmmmm mmmm mmmm [G] mmmmmmm
mmmm.....
Fade.
