[F]
[F] Headin' up to [Bb] San Francisco,
[C] for the Labor Day [F] weekend show
I've got my [Bb] Hush Puppies on,
I guess I [C] never was meant for glitter [F] rock and roll
[Gm] And honey [Bb] I didn't know,
[C] that I'd be missing you so

Come [Bb] Monday, it'll [F] be all right;
Come [Bb] Monday, I'll be [C] holding you tight
I spent [F] four lonely [Am] days in a [Bb] brown L. A. [C]
haze,
and I [Bb] just want you [C] back by my [F] side

[F] Yes, it's [Bb] been quite a summer,
[C] rent-a-cars and [F] west-bound trains
And now you're [Bb] off on vacation,
[C] something you [F] tried to explain
[Gm] And Darlin' [Bb] I love you so,
[C] that's the reason I just let you go

Come [Bb] Monday, it'll [F] be all right;
Come [Bb] Monday, I'll be [C] holding you tight
I spent [F] four lonely [Am] days in a [Bb] brown L. A. [C] haze,
and I [Bb] just want you [C] back by my [F] side

[Gmaj7] I can't [C] help it honey,
[Gmaj7] you're that much a [C] part of me now
[Gmaj7] Remember that [C] night in Montana,
when we [Bb] said there'd be no room for [C] doubt? [Eb] [Bb] [F]

[F] I hope you're en-[Bb]joying the scen'ry,
[C] I know that it's [F] pretty up there
We can go [Bb] hiking on Tuesday,
[C] with you I'd [F] walk anywhere
[Gm] California has [Bb] worn me quite thin,
[C] I just can't wait to see you again

Come [Bb] Monday, it'll [F] be all right;
Come [Bb] Monday, I'll be [C] holding you tight
I spent [F] four lonely [Am] days in a [Bb] brown L. A. [C] haze,
and I [Bb] just want you [C] back by my [F] side

I spent [F] four lonely [Am] days in a [Bb] brown L. A. [C] haze,
and I [Bb] just want you [C] back by my [Eb] side [Bb] [F]
