**[C]** Sunshine go away today  
I **[C]** don't feel much like **[G]** dancing  
**[C]** Some man's gone, he's tried to run my life  
**[C]** Don't know what he's **[F]** asking

**[C]** He tells me I'd better get in line  
**[C]** Can't hear what he's **[G]** saying  
When **[C]** I grow up, I'm going to make it mine  
But **[C]** these aren't dues I been **[F]** paying

**[F]** How much does it **[C]** cost, I'll buy it  
The **[F]** time is all we've **[C]** lost, I'll try it  
But **[F]** he can't even **[C]** run his own life  
I'll be **[Bb]** damned if he'll run **[G]** mine, Sunshine
