

POSITIVELY 4TH STREET – Bob Dylan

Intro: [G] [Am] [C] [G]

[G] You got a **[Am]** lotta nerve to **[C]** say you are my **[G]** friend
When **[G]** I was **[D]** down **[C]** you just **[Em]** stood there **[D]** grinning **[Dsus4] [D]**

[G] You got a **[Am]** lotta nerve to **[C]** say you got a helping hand to **[G]** lend
[G] You just **[D]** want to **[C]** be on the **[Em]** side that's **[D]** winning **[Dsus4] [D]**

[G] You say I **[Am]** let you down you **[C]** know it's not like **[G]** that
If **[G]** you're so **[D]** hurt **[C]** why then **[Em]** don't you **[D]** show it **[Dsus4] [D]**

[G] You say you **[Am]** lost your faith but **[C]** that's not where it's **[G]** at
You **[G]** had no **[D]** faith to **[C]** lose **[Em]** and you **[D]** know it **[Dsus4] [D]**

[G] I know the **[Am]** reason that you **[C]** talk behind my **[G]** back
I **[G]** used to **[D]** be a-**[C]**mong the **[Em]** crowd you're **[D]** in with **[Dsus4] [D]**

[G] Do you take me for **[Am]** such a fool to **[C]** think I'd make con-**[G]**tact
With the **[G]**one who tries to **[D]** hide what he **[Em]** don't know to **[D]** begin with **[Dsus4] [D]**

[G] You see me **[Am]** on the street you **[C]** always act **[G]** surprised
You **[G]** say "How are **[D]** you? Good **[C]** luck" but **[Em]** you don't **[D]** mean it **[Dsus4] [D]**

[G] When you know as **[Am]** well as me you'd **[C]** rather see me **[G]** paralyzed
[G] Why don't **[D]** you just **[C]** come out **[Em]** once and **[D]** scream it **[Dsus4] [D]**

[G] No, I do not feel that **[Am]** good when I **[C]** see the heartbreaks you em-**[G]**brace
If **[G]** I was a **[D]** master **[C]** thief per-**[Em]**haps I'd **[D]** rob them **[Dsus4] [D]**

[G] And now I know you're dis-**[Am]**satisfied with your **[C]** position and your **[G]** place
[G] Don't you **[D]** under-**[C]**stand it's **[Em]** not my **[D]** problem **[Dsus4] [D]**

[G] I wish that for **[Am]** just one time you could **[C]** stand inside my **[G]** shoes
And **[G]** just for **[D]** that one **[C]** moment **[Em]** I could **[D]** be you **[Dsus4] [D]**

[G] Yes, I wish that for **[Am]** just one time you could **[C]** stand inside my **[G]** shoes
[G] You'd know **[D]** what a **[C]** drag it **[Em]** is to **[D]** see you **[Dsus4] [D]**
