

White Rabbit Christmas Parody by Jack H

for Uke it may be easier to use [E7] instead of [E]

[E] [F] x 2

[E] One gift makes you happy and
[F] one gift makes you sad
and the [E] ones that mother gives you are
[F] never really bad

Go ask [G] Hermy [Bb] he thinks [C] you should be [G] glad

[E] And if you go chasing Santa and
you [F] know you're going to fall
in the [E] snow, way up north
[F] at the place they call the pole

Find [G] Hermy [Bb] he'll be [C] wearing [G] bows

[D] When the elves in the workshop get up
[G] and sing Ho Ho Ho
and you [D] just had some hot chocolate and
[G] you really have to go
go ask [E] Hermy, I think he'll [E] know

[E] When snow and high winds are [F] threatening Santa's
sleigh [E] he gathers all the reindeer with
[F] Rudolf to save the day

[G] Remember [Bb] what [C] Santa would [G] say
[G] [D] Lead the [G] way!
[G] [D] Lead the [G] way!
[G] (Single Strum)
