[C] Tar[G]zan [C] wasn't a [G] ladies man
[C] He'd just [G] come along and [C] swoop 'em up un[G]der his
[Em] arm like [D] that
[Em] Quick as a [D] cat in the [Am] jungle [D]

But [C] Clark [G] Kent, now [C] there was a [G] real gent
[C] He would [G] not be caught [C] sittin' aro[G]und in no [Em] jungle
[D] scape
[Em] Dumb as an [D] ape doing [Am] nothing [D]

[C] Superman never [D] made any money

another [D] man
like [D] him

[C] Hey [G] Bob, [C] Supe had a [G] straight job

in the [Em] United [D] States
[Em] he had the [D] strength but he [Am] would not [D]

[C] Folks [G] said his [C] family were [G] all dead
[C] Their planet [G] crumbled but [C] Superman he [G] forced himself
to [Em] carry [D] on
For-[Em]get Kryp-[D] ton and keep [Am] going [D]

Chorus

[C] Superman never [D] made any money
[G] saving the world from [C] Solomon Grundy [C]

[Em] Tar-[D]zan was [Em] king of the [D] jungle and
[C] lord over all the [Em] apes [D]
[Em] But [D] he could [Em] hardly [D] string together [C] four wo-rds:
"I Tar-zan, you [D] Jane"

[C] Some-[G]times when [C] Supe was [G] stopping crimes,
[C] I'll [G] bet that he was [C] tempted to just [G] quit and turn his
[Em] back on [D] man
[Em] Join Tar-[D]zan in the [Am] forest [D]

[C] But [G] he [C] stayed in the [G] city,
[C] kept [G] changing clothes in [C] dirty old [G] phonebooths
Til his his [Em] work was [D] through
Had [Em] nothin' to [D] do but go [Am] on home [D]

Chorus

[C] Superman never [D] made any money
[G] saving the world from [C] Solomon Grundy [C]
And [G] sometimes I [C] despair the [G] world will never [C] see
another [D] man
like [D] him
And [G] sometimes I [C] despair the [G] world will never [C] see
another [D] man
like [D!] him
