

White Rabbit – Jack and The No Jills Parody – by Jack H

key:G, artist:Jefferson Airplane writer:Grace Slick

Grace Slick – Jefferson Airplane:

for Uke it may be easier to use [E7] instead of [E]

Bass plays 1st verse twice - Then ukes play it twice

[E] Some songs make her happy and
[F] some songs make her sad
and the [E] ones that we suggest tend to
[F] make her mad

Go ask [G] Susan [Bb] she'll say [C] they're not [G] rad

[E] And if you go on suggesting
and you [F] know they'll never fly
Go ask [E] Meghan, she's her favorite, it will
[F] surely get a try

Thank [G] Meghan [Bb] with a nice [C] high [G] five

[D] When the men in the uke group get up
[G] and try to sing a song
and they [D] just had some kind of vision
with [G] hopes she'll sing along
go ask [E] Susan, I think you'll [E] know

[E] Without logic or discretion she'll [F] give the evil eye
You'll [E] fall backwards, as if stricken
there's a [F] chance you'll even die

[G] Remember [Bb] what [C] Susan will [G] say
[G] [D] Nay Nay [G] Nay!
[G] [D] Nay Nay [G] Nay!
[G] (Single Strum)
