

Six Days on the Road — Dave Dudley

C **G** **C**
Well I pulled out of Pittsburgh rolling down the eastern seaboard

C **G** **C**
I got my diesel wound up & she's a running like never before

F **G**
There's a speed zone ahead well all right

C **F**
I don't see a cop in sight

C **G** **C**
Six days on the road & I'm a gonna make it home tonight

C **G** **C**
I got my ten forward gears and a Georgia Overdrive

C **G** **C**
I'm takin' little white pills & my eyes are opened wide

F **G**
I just passed a Jimmy and a White

C **F**
I been a passing everything in sight

C **G** **C**
Six days on the road & I'm a gonna make it home tonight

C **G** **C**
Well it seemed like a month since I kissed my baby goodbye

C **G** **C**
I could have a lotta women but I'm not a like some other guys

F **G**
I could find one to hold me tight

C **F**
But I could never make believe it's all right

C **G** **C**
Six days on the road & I'm gonna make it home tonight

C **G** **C**
The ICC is a checkin' on down the line

C **G** **C**
Well I'm a little overweight and my log book's way behind

F **G**
But nothing bothers me tonight

C **F**
I can dodge all the scales all right

C **G** **C**
Six days on the road & I'm gonna make it home tonight

C **G** **C**
Well my rig's a little old but that don't mean she's slow
C **G** **C**
There's a flame from her stack and that smoke's a blowin' black as coal.
F **G**
My home town's coming in sight
C **F**
If you think I'm happy you're right
C **G** **C**
Six days on the road & I'm a gonna make it home tonight
C **G** **C**
Six days on the road & I'm a gonna make it home tonight
