

Lonely Groundhog – Parody of Lonely Goatherd by Jack H

Intro : [C]

[C] Deep in his mound slept a lazy groundhog
[G7] Tawney, Punxsutawney, Punxsutawney [C] Phil
[C] On that mound loomed a man in a top hat
[G7] Punxsutawney, Punxsutawney [C] Phil

[C] In his hand was a proclamation
[G7] Tawney, Punxsutawney, Punxsutawney [C] Phil
[C] Will there be six more weeks of winter
[G7] Punxsutawney, Punxsutawney [C] Phil

[C] Or is spring right around the corner
[G7] Tawney, Punxsutawney, Punxsutawney [C] Phil
[C] Only the groundhog knows for sure
[G7] Punxsutawney, Punxsutawney [C] Phil

[G7] Punxsutawney
[C] Punxsutawney
[G7] Punxsutawney [C] Phil!

Ground Hog --- Port City Ukers

You ain't nothin' but a [G] Ground Hog, [G] sleepin' all the [G] time. [G7]
You ain't nothin' but a [C7] Ground Hog, [C7] sleepin' all the [G] time. [G]
When you [D7] wake up and see your shadow, you [C7] ain't no friend of
[G] mine! [D7]

Well, you said you weren't [G] hungry, [G] that was just a [G] lie. [G7]
Well, you said you weren't [C7] hungry, [C7] that was just a [G] lie. [G]
When you [D7] wake up, you eat my garden and you [C7] ain't no friend of
[G] mine. [D7]

You ain't nothin' but a [G] Ground Hog, [G] sleepin' all the [G] time. [G7]
You ain't nothin' but a [C7] Ground Hog, [C7] sleepin' all the [G] time. [G]
If [D7] you're not sleepin', you're [C7] eatin' up that garden of [G] mine. [G]
When you're [D7] eatin' up my garden, you [C7] ain't no friend of [G] mine. [G]

Intro: [C] [G7] [C]

CHORUS:

**You are the groundhog [C], the king of groundhogs [C7]
You make us [F] happy when skies are [C] gray [C7]
We never [F] know if you'll see your [C] shadow,
But we'll [C] love you [G7] either [C] way**

Throughout the [C] winter, you've been sleeping [C7]
So warm and [F] peaceful in your [C] den [C7]
But soon [F] those top hats will come a- [C] calling...
And try to [C] read your [G7] mind [C] again

Repeat CHORUS

On February [C] 2nd we'll rise early [C7]
It's our [F] favorite holi- [C] day [C7]
Cuz even [F] if you should see your [C] shadow
Spring will [C] still [G7] be on the [C] way

Repeat CHORUS

We're gonna [C] play our ukuleles [C7]
Standing [F] out here in the [C] snow [C7]
Is it [F] six weeks? Or around the cor- [C] ner?
We'll just [C] strum [G7] until [C] we know....

Repeat CHORUS

End with:

Just tell us [C] Spring [G7] is on [C] the way
Just tell us [C] Spring [G7] is on [C] the way [G7!] [C!]
