

## Pearly Shells - Burl Ives, Lyrics by Webley Edwards & Leon Pober -

**[C] [C] [C!]**

Pearly **[C]** shells from the ocean **[C7]**  
Shining in the **[F]** sun, covering the **[D]** shore **[G]**  
When I **[C]** see them  
My heart **[F]** tells me that I love **[Fm]** you  
More than **[C]** all the **[G7]** little pearly **[C]** shells

For every **[G7]** grain of sand upon the beach  
I've **[C]** got a kiss for you  
And I've got **[G7]** more left over for each star  
That **[D]** twinkles in the **[G!]** blue

Pearly **[C]** shells from the ocean **[C7]**  
Shining in the **[F]** sun, covering the **[D]** shore **[G]**  
When I **[C]** see them  
My heart **[F]** tells me that I love **[Fm]** you  
More than **[C]** all the **[G7]** little pearly **[C]** shells **[C!]**

For every **[G7]** grain of sand upon the beach  
I've **[C]** got a kiss for you  
And I've got **[G7]** more left over for each star  
That **[D]** twinkles in the **[G!]** blue

Pearly **[C]** shells from the ocean **[C7]**  
Shining in the **[F]** sun, covering the **[D]** shore **[G]**  
When I **[C]** see them  
My heart **[F]** tells me that I love **[Fm]** you  
More than **[C]** all the **[G7]** little pearly **[C]** shells  
More than **[C]** all the **[G7]** little pearly **[C]** shells
